## AGECARE

COMMUNITIES OF CARE & WELLNESS

### Company Background

AgeCare Communities of Care and Wellness was founded by Dr. Hasmukh Patel and Dr. Kabir Jivraj. Their corporate mission was to develop and manage innovative supportive housing and long term care facilities in Alberta. The Valleyview, an Aging in Place seniors care facility was established in Medicine Hat in 1999. One year later, the Orchard Manor facility opened its doors in Brooks. Sunrise Gardens, AgeCare's newest seniors care facility, is scheduled to open January 2009 in Brooks, Alberta.

Today, AgeCare offers six modern facilities in Western Canada. These facilities provide a variety of supportive housing and personal care service options to regional residents.

Agecare's mission is to provide the best possible quality of life for each individual who chooses to make AgeCare Communities of Care and Wellness their home.
