FORTRESS FABRICATIONS LTD.

Company Background

Fortress Fabrications Ltd. is a structural and miscellaneous steel fabrication shop. The company was established in 1991. It offers more than 15 years of combined experience in all phases of design, welding, and fabrication. Fortress Fabrications supplies products and services to the commercial, construction, industrial, and oilfield industries.

The company produces:

- Platforms and stairways.
- Pipe shoes and pipe supports.
- Pile plates.
- Ladders.
- Clamps.
- Structural and miscellaneous steel.
- Exterior and interior railings.
- Spiral staircases.
- Fences.
- Metal spindles.

The company also offers the following services:

- Picker truck services.
- Sandblasting.
- Powder coating.
- Liquid painting.
- Steel erection.

Types & Nature of Work

Various positions include:

- Welders (apprentice and journeyman).
- General labourer.
- Powder coater.
- Sandblaster.
- Installer.
- Iron Worker.
- Draftsperson.
- Administrative staff (A/R and A/P).
- Receptionist.

The nature of the work can involve the operation of different types of machines.

Work is done at the plant for most positions while others are required to work on the job site.

The work can involve extended periods of standing and operating machines as well as some heavy lifting.

Ideal Candidate Qualifications

Ideal qualifications for new employees include:

- A good work ethic.
- Ability to handle the physical requirements of the position.
- Punctual, reliable, and hard working individual.
- A positive attitude.
- Able to take direction.
- Ability to work independently.
- Respectful.
- A clean driver's abstract.
- Good job references.
- No fear of heights.

Training Opportunities

The company provides on-the-job training for the various types of equipment.

Apprenticeship opportunities are available depending on the candidate.

Hours, Pay, Benefits

Employees work full-time and year-round operating Monday to Friday 7:00 a.m. to 4:30 p.m.

Overtime may occasionally be available. Shift work is not required.

Current pay rates vary depending on experience and are discussed with applicants at the time of interview.

A benefit package is provided for all full time employees. New employees must successfully complete a probationary period to qualify for benefits. More details are available at the time of application.

How to Apply

Applicants can apply in person (preferred), by mail, fax, or email with a resume that includes references.

The company maintains applications on file.

Potential candidates are contacted for an interview when appropriate.
