FOUNTAIN TIRE

MEDICINE HAT & REDCLIFF

Company Background

Fountain Tire started as a small double-bay garage in 1956 in Wainwright, Alberta. The company has grown to over 140 stores spanning from British Columbia to Ontario.

Fountain Tire Medicine Hat & Fountain Tire Redcliff are complete automotive and tire shops offering quality Goodyear and Dunlop products as well as mechanical services and custom wheels. The Redcliff operation also offers commercial tire service.

Currently Fountain Tire has 15 employees between both Medicine Hat & Redcliff locations, and increases during peak times.
